

INDEX TO VOLUME VI

- Abstract and categorical behavior following therapeutic brain surgery, 146
- Accident proneness, 88
- Ackerman, Lloyd: *Health and Hygiene, A Comprehensive Study of Disease Prevention and Health Promotion* (Book review), 272
- Adolph, Edward F.: *Physiological Regulations* (Book review), 111
- Alexander, Franz: General discussion from the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 80
- Alexander, Franz, and Portis, Sidney A.: A psychosomatic study of hypoglycaemic fatigue, 191
- Alexander, Franz: *Our Age of Unreason* (Book review), 177
- Alexander, Franz: Panel discussion, from the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 74
- Alvarez, Walter C.: *Nervousness, Indigestion and Pain* (Book review), 270
- American Society for Research in Psychosomatic Problems, Report of activities, 332
- Anderson, Charles: *Chronic head cases* (Abstract), 266
- Animal behavior studies bearing on the problem of pain, 261
- Anoxia tolerance, personality organization and, 317
- Arlow, Jacob: *See* Dunbar, Flanders
- Armstrong, Harry C.: *Principles and Practice of Aviation Medicine* (Book review), 110
- Association for Research in Nervous and Mental Diseases, 1943 Review of the proceedings of, 250
- Asthma, electroencephalographic studies in, with some personality correlates, 31
- Autonomic nervous system function, the genetic factor in, 308
- Bachmeyer, Arthur C., and Hartman, Gerhard: *The Hospital in Modern Society* (Book review), 344
- Bakwin, Ruth M., and Harry: *Psychologic Care During Infancy and Childhood* (Book review), 273
- Barach, Alvan L., et al: *Impairment of emotional control as a test of altitude anoxia* (Abstract), 267
- Bateson, Gregory, and Mead, Margaret: *Balinese Character* (Book review), 182
- Beach, Frank A.: Effects of injury to the cerebral cortex upon sexually-receptive behavior in the female rat, 40
- Bear, J.: *Psychological study of sterility in women* (Abstract), 338
- Beck, S. J.: *Rorschach's Test* (Book review), 343
- Bernard, Theos: *Hatha Yoga* (Book review), 345
- Betz, Barbara J.: *See* Langworthy, Orthello R.
- Binger, Carl: Review of the proceedings of the Association for Research in Nervous and Mental Diseases, 250
- Blair, Donald: *Group psychotherapy for war neuroses* (Abstract), 100
- Bohnengel, Charles: An evaluation of psychobiologic factors in the re-education phase of the Kenny treatment for infantile paralysis, 82
- Book Notes, 187, 277, 345
- Boring, E. G.: *Sensation and Perception in the History of Experimental Psychology* (Book review), 109
- Brain surgery, abstract and categorical behavior following therapeutic, 146
- Brief psychotherapy in war neuroses, 123
- Brucellosis, 334
- Cameron, Norman: *The place of mania among the depressions from a biological standpoint* (Abstract), 103
- Carbohydrate tolerance of mentally disturbed soldiers, 311
- Cardiospasm: a psychosomatic disorder. From the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 58
- Chapman, William P.: Measurements of pain sensitivity in normal control subjects and in psychoneurotic patients, 252
- Clinical significance of emotional disturbances affecting the stomach, duodenum and biliary tract. From the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 71
- Cobb, Stanley: *Borderlands of Psychiatry* (Book review), 106
- Cobb, Stanley: *Review of 1943 neuropsychiatry* (Abstract), 339
- Cohen, Robert R.: *Factors in adjustment to army life. A plan for preventive psychiatry* (Abstract), 267
- Coleman, Jules V.: *Depression masked as malnutrition* (Abstract), 266
- Combined amphetamine sulfate (benzedrine sulfate) and belladonna alkaloid therapy of the regression neuroses, 132
- Contemporary Psychopathology, A Source Book*. Edited by Silvan S. Tomkins (Book review), 271
- Cornell, Beaumont S.: Panel discussion, from the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 75
- Corner, George W.: *The Hormones in Human Reproduction* (Book review), 112
- Cowan, Captain J.: *See* Wittkower, Major E. D.
- Criteria for therapy in psychosomatic disorders, 283
- Cunningham, James M.: *The serviceman returns* (Abstract), 267
- Curran, Desmond, and Guttman, Eric: *Psychological Medicine, A Short Introduction to Psychiatry with an Appendix: War-Time Psychiatry* (Book review), 274
- Daniels, George: General discussion, from the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 81

- Daniels, George E.: Panel discussion, from the proceedings of the meeting on gastrointestinal disorders, of the American Society for Research in Psychosomatic Problems, 75
- Davis, John E.: *Principles and Practice of Rehabilitation* (Book review), 275
- Davison, Wilburt C.: *The Complete Pediatrician* (Book review), 273
- Despert, J. Louise: Urinary control and enuresis, 294
- Differences in modifiability of fetal behavior and physiology (from the proceedings of the conference on the psychosomatic status of the infant at birth), 151
- Dominance, neurosis and aggression, 7
- Doshay, Lewis J.: *The Boy Sex Offender and His Later Career* (Book review), 113
- Douglas-Wilson, Ian: *Somatic manifestations of psychoneurosis* (Abstract), 267
- Dublin, Louis I.: *A Family of Thirty Millions: The Story of the Metropolitan Life Insurance Company* (Book review), 272
- Dunbar, Flanders, and Arlow, Jacob: Criteria for therapy in psychosomatic disorders, 283
- Dunbar, Flanders: Effect of the mother's emotional attitude on the infant. From the proceedings of the conference on the psychosomatic status of the infant at birth, 156
- Dunbar, Flanders: *Medical aspects of accidents and mistakes in the industrial army and in the armed forces* (Abstract), 266
- Dunbar, Flanders: Rheumatic disease, with special reference to psychosomatic diagnosis and treatment, 206
- Dyke, Cornelius G., and Davidoff, Leo M.: *Roentgen Treatment of Diseases of the Nervous System* (Book review), 112
- Edwards, Harold: *Dyspepsia. An investigation* (Abstract), 266
- Effect of mental activity on the incidence of seizures and the electroencephalographic pattern in some epileptics, 141
- Effect of the mother's emotional attitude on the infant. From the proceedings of the conference on the psychosomatic status of the infant at birth, 156
- Effects of injury to the cerebral cortex upon sexually-receptive behavior in the female rat, 40
- Eighth service command postgraduate medical education program, 165
- Eissler, K. R.: *Some psychiatric aspects of anorexia nervosa demonstrated by a case report* (Abstract), 103
- Electroencephalographic studies in asthma with some personality correlates, 31
- Electroshock therapy, on certain psychological aspects of, 226
- Enuresis, urinary control and, 294
- Epileptics, the effect of mental activity on the incidence of seizures and the electroencephalographic pattern in some, 141
- Etiological factors in hypertrophic pyloric stenosis and infantile colic. From the proceedings of the conference on the psychosomatic status of the infant at birth, 162
- Evaluation of psychobiologic factors in the re-education phase of the Kenny treatment for infantile paralysis, 82
- Fairbairn, W. Ronald D.: *The war neuroses: their nature and significance* (Abstract), 99
- Fink, David Harold: *Release from Nervous Tension* (Book review), 114
- Fitzsimmons, Margaret: *Treatment of problems of dependency related to permanent physical handicap*. (Abstract), 105
- Freeman, H., Rodnick, E. H., Shakow, D., and Lebeaux, Thelma: The carbohydrate tolerance of mentally disturbed soldiers, 311
